

Your Name:

Your Age:

Where are you from?

Favorite book author:

Beautiful Books!

Story Pirates Universtiy needs a library full of one-of-a-kind books. Let's create a new book for the library catalogue, and write about it so others can find it. Decide what **genre** of book it is, the **title and author**, and write a **summary** of the book so others will want to read it.

GENRE

My book is:
(circle one)

FICTION

a totally made-up story

NON-FICTION

about real things or events

If **FICTION**:

realistic fiction

historical fiction

fantasy

science fiction

action adventure

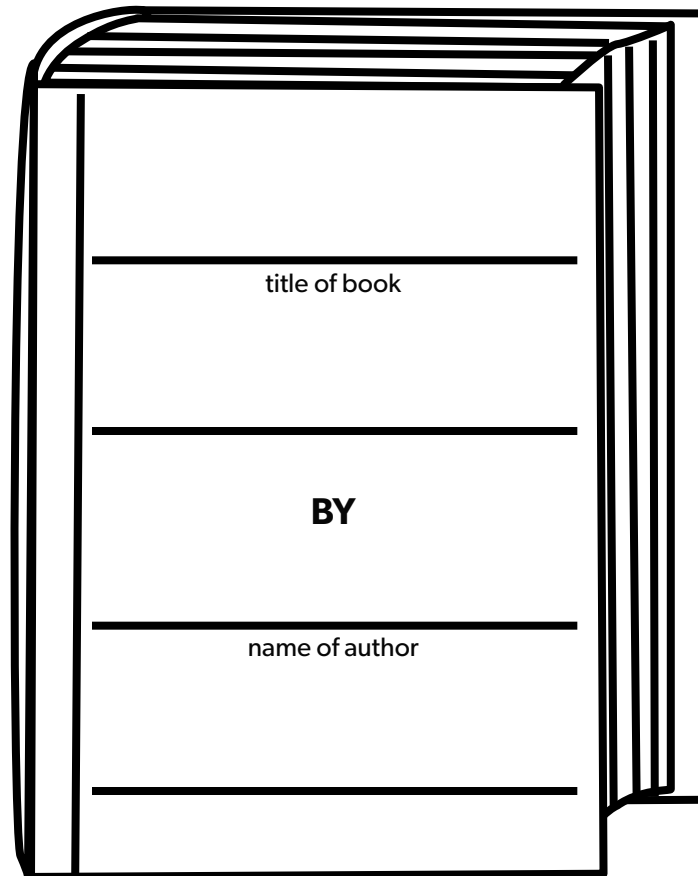

thriller

scary story

poetry

mystery

young adult book

If **NON-FICTION**:

biography

memoir

travel guide

instruction book

book about science

book about history

humor

health and wellness

cookbook

social science

SUMMARY: This book is about... (If **fiction**: are there characters or a setting? What is the story? If **non-fiction**: what information is inside? What can you learn by reading it?)
