

# Music Monday

## Star Day!

Write a poem about a STAR!

What is your star's name?

This star has a WISH, something they want more than anything else in the entire sky.

What does your star WISH?

What is different about your star?

How does your star make their wish come true?

Share your poem with The Story Pirates by having a grownup go to [storypirates.com/submit-a-story](https://storypirates.com/submit-a-story).
