Sand Castle Fairytale

It's summer! Let's build a sand castle and think about what stories could happen there!

What TOOLS are you going to use to create your sand castle? What shapes do they make?

Draw the sand castle below!

Think about the shapes of the tools that you have as you draw, and use those shapes.

Name of Castle:

Story Time! On the back, or on another sheet of paper, use the sand castle you drew as a SETTING for a brand new FAIRY TALE. Here are a few tips to help you get started:

- Start with "Once there was..." and describe the SETTING (that's your CASTLE!)
- Create a MAIN CHARACTER who might live in the CASTLE
- Give the MAIN CHARACTER a big PROBLEM they need to SOLVE
- Feel free to use magic, magical creatures, magical objects, or other fairy tale elements in your story
